

ONLY TITLE I SCHOOLS NEED TO WRITE A FEP IN 2022-2023

Schools must create or update their Family Engagement Plan (FEP) by October 1 each year. Starting in Fall of 2021, you'll be able to create your FEP by filling in the boxes below. Then, you can then print a PDF of your FEP which you can post on your website and share with your families (delete this row before sharing with families).

Part of the federal and state requirements for Title funding include making sure that the FEP is developed in partnership with families. Resources to help in the creation of your FEP is available on the Title I Compliance Resources website. <https://sites.google.com/maps/412.mn.us/mse-title-i-compliance-resources-2120>

Introduction to the Family Engagement Plan	We need the help of our families to reach our school goals for student success and achievement. Below is our plan for how we'll meaningfully engage families in equitable and accessible ways during the 2021-22 school year. There are specific goals we'll work to achieve and ways we plan to achieve each goal listed below.

Mission & Vision	
School Mission Statement	Founded on the wisdom and worldview of the American Indian people, we welcome young students as they explore the next steps in their paths as life-long learners. We are committed to providing full support as students learn to become leaders in their own lives, no matter where they are in their personal journey to find success.
School Vision Statement	We are a home-away-from-home in a one-room school that loves students through deep personal transitions. We are a greenhouse-like space that creates an environment primed for student growth to expand their personal and professional lives through education in a culturally supportive environment.
